Your Legal Rights Under Midwest's Limited Warranties

All of the Midwest Limited Warranties stated in this document are the only express written warranties made by Midwest applicable to ShoreLand'r trailers. These Limited Warranties give you specific legal rights and you may also have other rights which vary from state to state. You may have some implied warranties, depending on the state in which your trailer is registered.

For example, you may have:

1. An "implied warranty of merchant ability" (that your trailer is reasonably fit for the general purpose for which it was sold);
2. An "implied warranty of fitness for a particular purpose," (that your trailer is suitable for your special purposes; if your special purposes were specifically disclosed to Midwest itself – not merely to the distributor or dealer – prior to purchase.)

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties set forth in this publication.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Subsequent Buyer/Owner

This Warranty is extended only to the first buyer/owner of the trailer. This is defined as the first legal owner of a Midwest ShoreLand'r trailer other than an authorized Distributor or Dealer who has bought the trailer from Midwest for resale to the public.

Things You Should Know About Your Limited Warranty

Pre-Delivery Service

Defects in or damage to any components of your trailer may occur at the factory or while it is being transported to the dealer. Normally, any defect or damage occurring during assembly is detected and corrected at the factory during the inspection process. In addition, dealers are obligated to inspect each trailer before delivery. They repair any uncorrected factory defects or damage and any transit damage detected before the trailer is delivered to you.

Trailer Alteration

This warranty does not cover alteration of the trailer, or failure of trailer components caused by such alteration.
