

## **Freestanding Lift Warranty**

**IMPORTANT NOTE: Warranty registered lifts are guaranteed FULL warranty coverage under the terms described in this document. Lifts that are NOT warranty registered are covered only under the 'One-Year Warranty' described below. Warranty registration gives our factory important information required to support your lift.**

### ***Your ShoreStation® Lift Limited Warranties***

#### **One-Year Warranty**

During the terms of the Limited Warranties on your aluminum ShoreStation lift, Midwest Industries, Inc. (hereafter referred to as "Midwest") covers the cost of all parts and labor needed to repair or replace any Midwest supplied item that proves defective in material, workmanship, or factory preparation. These repairs or replacements (parts and labor) will be made by your dealer at no charge using new or remanufactured parts. This warranty begins on the purchase date of the first owner and covers the first owner ONLY.

#### **What is Covered:**

The "Frame and Extrusion Warranty" covers these parts and components of your aluminum ShoreStation lift frame for 15 years beginning at your lift's Warranty Start Date:

Extruded Aluminum: guidepost tube, corner post tube, guidepost mounting extrusion, winch mounting plate, winch post tube, winch post plate, winch post mounting extrusion, adjustable leg tube, lower side frame tube, lower frame corner bracket, lower frame tube, lower crossmember tube, side frame tube, platform crossmember tube, platform rail, platform channel, platform "I" beam, dock mounting angle, frame spacer tube, lower frame clamp, lower corner block, bottom clamp cap, top rail tube clamp, winch tube clamp, guidepost brace tube, winch tube, winch tube mounting bracket, winch post plate, platform spacer tube, platform "I" beam tube, flange tube.

Fabricated components: Power Unit Enclosure, lift wheel, winch case, cradle tube, lift arm angle, drop side weldment tube.

Boat lift cables will be replaced free of any charge - if any have failed due to workmanship or material - for the first year of first owner's use. PWC lift cables that fail due to workmanship or material issues are covered for parts and labor under the one-year basic warranty. Hydraulic lift cable that fails after the first year will be replaced up to the 15<sup>th</sup> year of ownership, no labor for years 2 – 15.

Canopy Frame and other manufactured items; the canopy cover material is covered under a separate warranty.

### **Electric and hydraulic components.**

If your lift has been warranty-registered by your dealer, the following warranty is in full effect:

#### **3-year Warranty on Electronic Components**

During the 2nd & 3rd year of ownership, electronic components will be covered against failure in workmanship and material, parts only. This extension includes the controller, motor, pump and relay, remotes, reversing coil and solenoid. Midwest Industries, Inc. reserves the right to use new or refurbished parts to fulfill this warranty promise. Damage to electric components caused by overload, corrosion, submersion, low voltage, blatant misuse, improper installation, or acts of God are outside the scope of this coverage.

#### **6-year Warranty on the Hydraulic Cylinder**

For years 2 – 6 of hydraulic lift ownership, the hydraulic cylinder will be covered against failure in workmanship and material, parts only. Midwest Industries, Inc. reserves the right to use new or refurbished parts to fulfill this warranty promise. Cylinder piston rod corrosion and aquatic growth causing seal failure is covered under this warranty; cylinder outer tube corrosion is not covered. Damage to hydraulic cylinder due to misuse, improper installation, hydraulic fluid contamination, or acts of God are also outside the scope of this coverage.

### **Your Legal Rights Under Midwest's Limited Warranties**

All the Midwest Limited Warranties stated in this document are the only express written warranties made by Midwest applicable to the aluminum ShoreStation lift. These Limited Warranties give you specific legal rights and you may also have other rights which vary from state to state. You may have some implied warranties, depending on the state in which your aluminum lift is registered.

#### **For example, you may have:**

An "implied warranty of merchant ability" (that your lift is reasonably fit for the general purpose for which it was sold).

An "implied warranty of fitness for a particular purpose," (that your lift is suitable for your special purposes; if your special purposes were specifically disclosed to Midwest itself – not merely to the distributor or dealer – prior to purchase).

These implied warranties are limited, to the extent allowed by law, to the time covered by the written warranties set forth in this publication.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

#### **Subsequent Buyer/Owner:**

This Warranty is extended only to the first buyer/owner of the lift. This is defined as the first legal owner of a Midwest aluminum ShoreStation other than an authorized Distributor or Dealer who has bought the lift from Midwest for resale to the public.

**Lift Alteration:**

This warranty does not cover alteration of the aluminum ShoreStation lift or failure of lift components caused by such alteration.

**Production Changes:**

Midwest and its distributors/dealers reserve the right to make changes in ShoreStation lifts built and/or sold by them at any time without incurring any obligation to make the same or similar changes on lifts previously built and/or sold by them.

**What your Midwest Limited Warranties Do Not Cover:**

...any lift assembled by an entity or entities other than a ShoreStation dealer/installer.

...the costs of repairing damage caused by environmental factors or acts of God.

“Environmental factors” include such things as airborne fallout, chemicals, tree sap, salt, ocean spray, water hazards. “Acts of God” including such things as rainstorms, hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

...wind-based rollovers are NOT covered by warranty. Protect your investment with an anchoring system. Anchoring a boat lift to the earth can greatly mitigate rollover risk. See more information in our Anchoring Guide (HA0297).

... the costs of repairing damage caused by poor or improper maintenance, settling of the lift due to soft soil conditions, or improper installation. Your Midwest Limited Warranties do not cover the costs of normal/scheduled maintenance of your aluminum ShoreStation lift. They do not cover the cost of lubrication, replacing chains, cables, fasteners unless done as the result of a repair covered by this warranty.

...the costs of repairing damage or conditions caused by fire or accident; by abuse or negligence; by misuse; by tampering with parts; by improper adjustment or alteration; or by any changes made to your aluminum ShoreStation lift that do not comply with Midwest specifications.

...the cost of adding anything to your aluminum ShoreStation lift once it is delivered to you, even if parts, components, or modifications are changed or added as a production change on other lifts produced after your lift was built.

...any incidental or consequential damages connected with the failure of your aluminum ShoreStation lift under warranty. Such damages include lost time; inconvenience; the loss of the use of your aluminum ShoreStation lift; the cost of rental lift or slip; gasoline, telephone, travel or lodging; the loss of personal or commercial property; the loss of revenue, etc.

... installation devices, paint and/or finishes, and commercial use applications.

**Unauthorized modifications...**

...such as the installation of after-market drives or any components other than genuine ShoreStation are not recommended and will void warranty.

**How To Get Warranty Service for Your Lift**

Please contact the dealer from whom you bought the lift for warranty service. When contacting your dealer, please provide them with your lift's model number, lift identification number, date of purchase and the nature of the problem.

*Dealers: Midwest Industries reserves the right to have vendors conduct their own warranty. Vendors and Midwest Industries reserve the right to have parts returned for inspection as part of the warranty claim process. Midwest Industries does not cover cost of returning parts.*
