

Model Number Affected: AX90H0, AX90Z0
Part Number Affected: 651-08790 Carb High Altitude Kit
Serial Number Affected: All Serial Number Range
Date: October 15, 2024 **Updated July 28, 2025 Destroy Previous Copies**
Subject: AX90 547cc Optional High Altitude Carburetor Kit **INFORMATIONAL ONLY**

NOTE: These materials are prepared for use by trained technicians who are experienced in the service and repair of equipment of the kind described in this publication, and are not intended for use by untrained or inexperienced individuals. Such individuals should seek the assistance of an authorized service technician or dealer.

NOTE: Always wear eye protection while servicing equipment. Wear hearing protection when appropriate. Always work in a well ventilated area and follow all safety precautions when dealing with combustible materials.

NOTE: Left (LH) and Right (RH) sides are determined from the operator's position and facing in the forward direction.

Purpose:

Stanley Black and Decker has created an optional High Altitude Carburetor Kit for the AX90 547cc Series Engines. While operating equipment at high altitude and for best performance of this engine at elevation, we recommend installing the following optional High Altitude Carburetor Kit: **651-08790**.

Action Required:

Order and install **651-08790** Service Kit for the expected altitude per the schedule in the Engine Manual.
